10:30 AM- Worship Service - *Inside* AND ON [ZOOM](#), a huge part of Jesus' day to day ministry was healing people, communities, and the world. Often times, this involved the curing of diseases. However, Jesus' ministry went farther than just the fixing of an illness, but healing of relationships, communities, and reconciling with God. During this worship service, we will be anointing those who wish to come forward to be anointed for healing and for strengthening of our ministry.

Book Study Group forming for February-March

The Rooted and Rising Climate Action Group invites you to join us in reading and discussing *Inhabiting Eden: Christians, the Bible, and the Ecological Crisis*, by Patricia K Tull.

Proposed meeting time—hybrid in-person/zoom session—Wednesday, 3:30 to 4:30 p.m. beginning on or about February 1 through March 29. You do not have to attend all meetings to join in, but we hope you can attend most.

The paperback book can be ordered through the church from Drury Lane Books (~\$22) or is available as an e-book (~\$10—kindle and other sources). Ten “real” books will earn a 10% group discount.

Please contact Bruce Tyler (bruceRtyler@gmail.com or 651.315.1573) or Pastor Enno to indicate your intention to join us and to order a book through church. Orders needed by January 19 for delivery by Feb. 1.

SCAMS

Someone in this church received a text message from someone claiming to be me asking for gift-cards for a family who has cancer. This was a scam. Whether by email, text, or message, I do not ask for gift cards. Please let me know using a different method if you receive a request but do not respond to that person who is using my name in vain.
