Enno, Linda, Ann, (Jenny called to hospital)

Sound system- We like the sound that happened accidentally recently, where the congregational sound is picked up better and choir sounded good. We will stick to that, but also have mics used. Outdoor service will use mics on June 11th. Linda will check in with Francie to make sure she knows she was not responsible for a sound issue last month.

Choir- Ann gone 6/18, Linda will pick music and lead

Lay leadership Sign ups- need more people for liturgist, Peace Prayer, after church treats. Ann will bring treats 6/4 and will ask food committee if anyone is interested in organizing treats/recruiting people to bring treats. Church board is working on cheat sheets for all volunteer tasks related to worship.

Communion will happen 6/11 at the Harbor Park service. Matt Llewelyn-Otter from OutFront is preaching, Matins choir singing. Enno will check with them on any choir needs.
