

## Exploration of Process Theology

“Why Whitehead?” by Professor John B. Cobb, Jr

Discussion Questions:

What is Cosmology? \_\_\_\_\_

Why should it be studied?

Why do we need a new cosmology?

What is causality?

What are the Greeks four causes?

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

What is the relationship between cause and function?

What is phenomenology and what is missing from this philosophy in Cobb's perspective?

Why can't we go to the past to understand the quantum world?

What is the second reason for reviving cosmology?

What is dualism and why does it no longer work?

Why is cosmology important?

Why should we focus on Whitehead's principles for the new cosmology?
